Q: What aspects of the course were most useful for your learning?

- 1 Everything
- 2 He put the slideshow lessons in terms that we could understand more easily.
- 3 I learned the most from the discussion section mostly because of my TA.
- 4 Ashton served as an excellent teaching assistant, consistently arriving prepared for class with meticulously crafted slides. He ensured that students comprehended the assignments by taking periodic breaks to check in with groups and gauge their understanding of the course material. Additionally, Ashton proactively assisted students who were falling behind, offering one-on-one support to help them grasp the concepts. Whenever a student had a question, he responded with his utmost ability.
- 5 great guy great teaching style
- 6 Practice problems
- 7 Everything
- 8 taught well and good learning activities during discussion
- 9 Group work in the discussion sections. My TA, Ashton Stoelk, was incredibly helpful. He would walk around and help the groups with any questions they would have, and introduce new viewpoints.
- 10 The T.A was very knowledgeable in what we were learning throughout the course. In addition, he built a relationship with the students which allowed learning to be fun!
- 11 group work
- 12 good explaining and presenting

Q: When this class is taught again, what changes would you suggest?

- 1 Nothing
- 2 None
- 3 More teaching of subjects during lecture
- 4 None.
- 5 nothing keep doing same thing
- 6 More time to review
- 7 Nothing
- 8 More explanation
- 9 Just make sure the T.A's are cool like the one I had
- 10 nothing
- 11 nothing

- 11 During the Zoom class near the end of the semester, the graphs get a bit messy and hard to follow.
- 12 nothing
- 13 you were chill

6 This course was solid, i'd say I learned a lot throughout the discussions sections about real applications of economics using present or past events. Ashton is very personable and very easy to communicate with.

7 There is way too much work to be done.

8 Ashton did a really great job. He was super helpful in explaining concepts while making discussion fun and interactive.

9 it was fun
